# A DAY OF PLAY IN GREENWICH

FOR OUR annual photoshoot, we spent the day with a group of centennials—Elisabeth Hall, Tiara McIntosh, India Ellis, Grace Puchert, and John George Brakatselos—who revisited their suburban roots. Our setting was the beautiful Wadia & Associates–designed Amarpali estate (listed with Shelly Tretter Lynch and Amy Balducci of Compass). The home is located at 471 Lake Avenue in Greenwich, a market as desired as ever for families looking for a sanctuary throughout the last year. The area itself matches the youthful spirit of those in our shoot, as many young adults have also moved back to their childhood Greenwich homes to ride out the pandemic. ♦ —Brooke Kelly
